Autumn Term Issue 7

20 October 2017

Headteacher's Message

We have now been given the keys to our new Nursery room. There will be some minor changes over the Half Term holiday, but essentially the building project is now finished. My thanks go to Mrs Beech for managing the project and HB Architects and Symon Builders for doing a very professional job. Children will be using the room from January 2018, when it will become the room for our 'rising threes' (those children who are in the school year when they turn three).

With the room completed, after Half Term we will have the Don Cerce Close entrance to the school open again. This means parents will no longer be able to access the school down the side of the Reception and Year 2 classes. Please can parents also avoid walking through the car park, unless they are going to the office? With cars regularly being moved in the car park, this will help to keep children safe.

There is less than 2 weeks left of the Home to School Transport Consultation, should you wish to take part. All feedback must be received by midnight on Thursday 2 November. This is the link to the consultation: www.warwickshire.gov.uk/ask

WOODY'S BLOG

I managed to complete my 'down stay' for 15 minutes last night at Rugby Dog Training Club; many thanks to those of you that have already sponsored me. The chosen charities are 'Taking the Reins', which use horses to help children overcome many problems and 'Medical Detection Dogs', who train dogs to detect certain illnesses in people. If you would still like to sponsor me for these excellent causes, please send your sponsorship money in a marked envelope to the School Office by Tuesday 31 October. Any amount would be very much appreciated, no matter how small.

I have had a great first half term and everyone has made me so welcome. I love being a school dog, although I'm now ready for a week off. I hope you all have a lovely break and I look forward to seeing you back in school on Monday 30 October; I might even have a Halloween costume to wear!
