Summer Term Issue 5

7 June 2019

HEADTEACHER'S MESSAGE

Next week a major sporting event will be passing through Dunchurch. The OVO Energy Women's Cycling Tour passes through various parts of England and Wales, including Warwickshire. We are planning to take all of the children to the Southam road to watch the event go by. It will be a great opportunity for children to see top level sport. If any parents would like to help us supervise the children and are free between midday and 1PM next Thursday, please contact the office.

I receive a steady flow of correspondence about car parking from local residents, but recently I have had a number of conversations about a particular related issue. As many of you know, Tanser Court is sheltered accommodation for the elderly on Don Cerce Close. Residents there are increasingly concerned about two issues: Parents from Dunchurch Infant or Junior School leaving their car in the Tanser Court car park and parents and children cutting through the car park on foot. The residents have asked me to remind you that the car park is private property - the spaces are not for non-residents to park in and as it is a car park, it is not safe to be used as shortcut for pedestrians.

Ian Dewes
Executive Headteacher

Barn Owls	Edward Lord
Snowy Owls	Caitlin Marsh
Spectacled Owls	Eli Jarju
Tawny Owls	Isabelle Haswell

YEAR GROUP CLASS WORK THIS WEEK

	<p style="text-align: center;">NURSERY Rainbow Room</p> <p>The children have all come back to nursery full of energy. They have enjoyed fruit printing in paint, and creating healthy plates of food, using their fine motor skills to cut items out. They have loved the addition of real vegetables in the mud tray, using the spades & pots to dig them up, count & sort them. The children also planted some grass and talked about how we encourage it to grow. Please could children continue to bring in photos of when they were babies? We have had a few and the children have loved sharing them! Thank you</p>	
<p style="text-align: center;">Blue Room</p>	<p style="text-align: center;">NURSERY</p> <p>Red Room children have been exploring 'invisible ink' this week; drawing with candles and then painting over it. They have loved the magical writing. They have also enjoyed investigating the mini beast role play area, with magnifying glasses, bugs & small world play resources. In Blue Room, the children have been using shapes to print, creating pictures of everyday items, as well as practising their writing using cotton wool buds & toothpaste or shaving foam. Both rooms enjoyed a visit from Woody in the garden, looking after him and playing with him.</p>	<p style="text-align: center;">Red Room</p>
 <p style="text-align: center;">Little Owls</p>	<p style="text-align: center;">RECEPTION</p> <p>The children's core strength is developing. This term we are doing yoga and the children have worked hard to perform the plank and boat poses. The children have been learning about 3D shapes. We have used everyday language to describe the shapes including faces, flat and curved. The children have had opportunities to investigate shapes in Continuous Provision. We will continue learning about shapes next week when we will be exploring the characteristics. We have also worked hard to combine things into groups of 2. The children have had a go in counting in 2's.</p>	 <p style="text-align: center;">Elf Owls</p>
 <p style="text-align: center;">Barn Owls</p>	<p style="text-align: center;">YEAR ONE</p> <p>This week we have started learning about Samuel Pepys and The Great Fire of London. We have decided which historical sources are useful and which are not. We have made inference about characters thoughts and feelings about the great fire and have placed the events in chronological order. In maths we have been describing position and direction including the use of left and right, quarter, half and three quarter turn. We have been on a summer walk and have learned about the order of the seasons.</p>	 <p style="text-align: center;">Snowy Owls</p>
 <p style="text-align: center;">Spectacled Owls</p>	<p style="text-align: center;">YEAR TWO</p> <p>Year 2 this week have started writing a leaflet promoting their trip to Coombe Abbey. They are explaining the activities they participated in and persuading others to go. In maths the children have learnt how to solve problems linked to time and are learning to sequence amounts of time and converting certain times to minutes or hours. During topic time this week the children have planted their own marigolds as part of an experiment and are learning the life cycles of animals, plants and humans.</p>	 <p style="text-align: center;">Tawny Owls</p>

LOST PROPERTY

A pink watch has been found in school.
Please come to the office to collect.

Warmer Weather

It has arrived!

Please make sure that your child comes to school with a sunhat and sun cream for when they are outside.

WOODY'S BLOG

Hello

I had great fun in the nursery this week. I played with the children in the garden and as you can see I was surrounded with love! They fed me lots of treats and looked after me really well. There are some exciting things in the nursery garden to play with but I'm not allowed on any equipment.....something to do with Health and Safety.

I hope you are busy getting ready for the Dunchurch Village fete on Saturday 15th June 2019. Mrs Beech is in the process of making my costume and I think some fairy wings have been mentioned.....surely I won't have to wear them?!

Woof, woof from

Woody

TELEPHONE NUMBERS

Please note that if you need to contact Owls Club or Dan Mumford Football Coaching after 4.15 pm you will need the following phone numbers:

Owls: 07810175463

DMFC: 07835023939

Tickets £3.50 per person,
available from 3/6/19

All welcome

OUTSIDE SCHOOL EVENTS AND INFORMATION

GIRLGUIDING

Girlguiding is in need of leaders and we are running a recruitment campaign ending with an open evening in Dunchurch Village Hall on Tuesday 18th June.

Girlguiding Rainbows, Brownies and Guides ... we have dozens of girls waiting in Dunchurch, Cawston and Bilton to join Rainbows, Brownies and Guides, and never enough spaces. All our units are run by volunteers who are just like you – juggling family life, work and other commitments. We all believe in Girlguiding and the difference it makes to girls and we have a lot of challenges and fun along the way.

To find out more, come along between 7-9 pm on Tuesday 18 June to Dunchurch Village Hall. You can volunteer at <https://www.girlguiding.org.uk/join> or email us on dunchurchgirlguiding@outlook.com to talk to someone locally

Accidents and Child Safety

Accidental injuries are a major health problem throughout the United Kingdom. They are one of the most common cause of death in children over one year of age, however, most of these accidents are preventable through increased awareness, improvements in the home environment and greater product safety.

For further advice and information on accidents and safety please visit www.rosipa.com or www.capt.org.uk.

Information regarding personal safety, bullying and online safety can be found on www.safetynetkids.org.uk.

The opportunity to discuss any health issues relating to your child is always available and The School Health and Wellbeing Service can be contacted on 03300 245 204 or confidentially text ChatHealth Parentline on 07520 619 376.
